PART II.

GENERAL PROVISIONS

- A. All appropriations which involve State Area Development Funds are contingent upon KIPDA approval.
- B. The Director of Office of Management & Budget may increase any project, authorized by this ordinance, by up to ten percent through the transfer of funds not required in another project or projects in this ordinance or other prior annual Louisville Metro, City of Louisville and Jefferson County Fiscal Court Capital Budget ordinances unless those funds were originally appropriated from a Council Member's Capital Infrastructure Fund or projects added to the Mayor's Recommended Budget by the Metro Council.
- C. In the event non-city receipts or match monies are received in greater amounts than those listed for any project herein, those additional funds may be authorized for expenditure for the specific project, only with the authorization of the Director of Office of Management & Budget and approval of the Mayor provided, however, overall project scope shall not be significantly changed without Metro Council approval.
- D. Upon project completion, as determined by the Director of Office of Management & Budget, any unexpended funds shall lapse to the fund from which they were appropriated-; however, all unused allocations from Capital Infrastructure Fund projects shall be returned to the Council Member's unallocated Capital Infrastructure Fund.
- E. The funds collected pursuant to Ordinance 66, Series 2006 pertaining to the System Development Charges for Roadways may be transferred as necessary into the Debt Service reserve fund for debt service payments per Ordinance 45, Series 2008. Funds collected in excess of the annual debt service will be restricted for future bond or road development in accordance with the System Development Charge Ordinance.
- F. System Development charges collected, matching Louisville Metro funds, and/or bond proceeds will be spent on improvements to designated public roadways within the Transportation Benefit Districts in the approximate proportion to the funds collected by Zone.

- ~~F. G.~~ Included in the Capital Fund appropriations listed herein are funds totaling ~~\$3,589,000~~ \$5,089,000 from the following sources: ~~\$500,000~~ \$2,000,000 from the sale of surplus properties including 400 S 1st St. to be placed for sale by August 1, 2009; \$360,000 from interest related to the Capital Cumulative Reserve Fund; \$1,975,100 of unallocated bond construction proceeds; \$500,000 in the bond reserve fund at the Revenue Commission held for restricted debt service for Louisville Metro Government; approximately \$85,300 identified as unexpended funds from the City of Louisville General Obligation Bond and Note funds ("Bond Fund" on page 83 of the FY08 Comprehensive Annual Financial Report); and approximately \$168,600 identified as unexpended funds from the Revenue Finance Corporation ("Revenue Finance Corporation" on page 83 of the FY08 Comprehensive Annual Financial Report).
- ~~G. H.~~ All questions which arise in interpreting any appropriation in this ordinance as to the purpose and manner for which each appropriation may be expended shall be decided by the Director of Office of Management & Budget in accordance with policy intentions as considered and approved by the Metro Council as reflected in the Capital Budget Document project narrative. Overall project scope shall not be significantly changed without Metro Council approval.
- ~~H. I.~~ All proceeds from the sale of real property declared surplus by the Metro Council shall be appropriated into the Capital Cumulative Reserve Fund to be expended as appropriated herein. Except for the \$2,000,000 in revenue assumed in this ordinance from the sale of real property, all proceeds from the sale of real property declared surplus by the Metro Council shall be appropriated into a project line in the Capital Cumulative Reserve Fund designated as Metro Council Unnamed Projects. No expenditures or appropriations may be made from this account without prior approval of the Metro Council through an ordinance separate from this or any future annual capital or operating budgets.
- ~~I. J.~~ Contracts - Appropriations in the Fiscal Year 2009-10 capital budget that will go to fund professional service and non-competitively negotiated contracts, which are intended to be awarded by the Metro Government and which require an expenditure of over \$10,000 in such fiscal year, shall be submitted to the Council in the form of a resolution for its approval. Appropriations in the Fiscal Year 2009-10 capital budget that will go to fund Metro Government contracts of a fixed price, cost, cost plus a fixed fee or incentive type, which are intended to be awarded per KRS 45A.343 through 45A.460, and not awarded to the lowest evaluated bid, and which require an annual expenditure of over \$100,000 in such fiscal year, shall be submitted to the Council in the form of a resolution for its approval.
- ~~J. K.~~ Written quarterly reports of the status of all capital projects will be submitted to the Budget Committee no later than six weeks after each quarter ending September 30, December 31, March 31 and June 30.
- ~~L.~~ The Louisville Metro Mayor, or his designee, shall seek proposals from qualified financing, risk management, or investment firms to assess and report to the Metro Council the utility, valuation, and marketability of Metro Government's infrastructure assets that generate gross revenues equal to or in excess of \$500,000 annually.
- ~~M.~~ The Louisville Metro Mayor, or his designee, shall recommend \$1 million of CCRF projects previously appropriated to be reallocated by the Council to other projects during Fiscal Year 2009-10 through a budget amendment.
- ~~N.~~ To the extent revenues exceed the revenue forecast presented on June 2, 2009, all Fiscal Year 2009 capital projects delayed or cancelled as a result of the fiscal 2009 spending restrictions shall be completed with those funds.
- ~~O.~~ Re-title CCRF project #168154, Parks Land Acquisition, previously appropriated to as follows: Waterfront Development Corp for Riverview Park Master Plan Implementation \$741,000; Public Works for Farnsley Moreman \$700,000.

P. O.

Traffic studies and other contracted engineering services, funded by general fund , not essential to safety that are budgeted but not yet begun by Public Works and Assets or Parks and Recreation shall be deferred until the third quarter of the Fiscal Year.

PART III.

Except as provided otherwise herein, this ordinance shall take effect upon passage and approval.
